&7 - 8 & Rock Left to Left side; Replace weight to Right; Step forward Left.

Begin Again and Have Fun!!

****Note:** When danced to the Preferred song, start the dance 8 counts after the vocals *OR*
Start on the vocals but don't start with the beginning of the dance... instead, start with the last 8
counts. This way you can start with the vocals but still actually start the dance 8 counts into
the vocals.
