End of Dance

TAG 1

After the 3rd time through the dance, add the following three counts to the end:

12&3 Step R across (in front of) L starting to make a 1/4 turn L; Step L forward (finishing 1/4 turn L and prepping for 3/4 turn L); & Make 1/2 turn L and step back on R; Make 1/4 turn L and step side with L

Easier Option:

123 Step R across (in front of) L; Step L to L side (large step); Drag R slowly toward L

TAG 2

The song will slow down on the #7th wall.

Dance the first set of 12 and slow down with the music. Then there are an extra 4 counts before the beat kicks back in on count 1. For those 4 counts, cross R foot over L and unwind a full 360 degrees using all 4 counts. Restart with the **beginning** of the dance – this will change your 2 walls.
